Important Questions	Answers	Why this Matters:
What is the overall deductible?	<b>\$0</b> PCP / Plan-Approved; <b>\$300</b> member / <b>\$600</b> family Self-Referred. Does not apply to emergency room, emergency transportation. Pharmacy copays do not apply toward deductible.	You must pay all the costs up to the <u>deductible</u> amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the <u>deductible</u> starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the <u>deductible</u> .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services, but see the chart starting on page 2 for other costs for services this plan covers.
Is there an <u>out-of-</u> <u>pocket limit</u> on my expenses?	Yes. For medical benefits, \$2,000 member / \$4,000 family for PCP/Plan-Approved medical, and for prescription drug benefits, \$1,000 member / \$2,000 family	The <u>out-of-pocket limit</u> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the <u>out-of-pocket</u> <u>limit?</u>	Premiums, balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Does this plan use a network of providers?	Yes. See  www.bluecrossma.com/findadoctor or call 1-800-217-7878 for a list of network providers.	If you use an in-network doctor or other health care <u>provider</u> , this plan will pay some or all of the costs of covered services. Be aware, your in-network doctor or hospital may use an out-of-network <u>provider</u> for some services. Plans use the term in-network, <u>preferred</u> , or participating for <u>providers</u> in their <u>network</u> . See the chart starting on page 2 for how this plan pays different kinds of <u>providers</u> .
Do I need a referral to see a specialist?	Yes, PCP / Plan-Approved level of benefits only.	This plan will pay some or all of the costs to see a <b>specialist</b> for covered services but only if you have the plan's permission before you see the <b>specialist</b> .
Are there services this plan doesn't cover?	Yes.	Some of the services this plan doesn't cover are listed on page 7. See your policy or plan document for additional information about <b>excluded services</b> .

Summary of Benefits and Coverage: What this Plan Covers & What it Costs

Coverage Period: 01/01/2016- 12/31/16

Coverage for: Individual and Family | Plan Type: POS

- Copayments are fixed dollar amounts (for example, \$15) you pay for covered health care, usually when you receive the service.
- <u>Coinsurance</u> is *your* share of the costs of a covered service, calculated as a percent of the <u>allowed amount</u> (or provider's charge if it is less than the <u>allowed amount</u>) for the service. For example, if the plan's <u>allowed amount</u> for an overnight hospital stay is \$1,000 (and it is less than the provider's charge), your <u>coinsurance</u> payment of 20% would be \$200. This may change if you haven't met your <u>deductible</u>.
- The amount the plan pays for covered services is based on the <u>allowed amount</u>. If an out-of-network <u>provider</u> charges more than the <u>allowed amount</u>, you may have to pay the difference. For example, if an out-of-network hospital charges \$1,500 for an overnight stay and the <u>allowed amount</u> is \$1,000, you may have to pay the \$500 difference. (This is called <u>balance billing</u>.)
- This plan may encourage you to use in-network <u>providers</u> by charging you lower <u>deductibles</u>, <u>copayments</u> and <u>coinsurance</u> amounts. (If you are eligible to elect a Health Reimbursement Account (HRA), Flexible Spending Account (FSA) or you have elected a Health Savings Account (HSA), you may have access to additional funds to help cover certain <u>out-of-pocket</u> expenses such as <u>copayments</u>, <u>coinsurance</u>, <u>deductibles</u> and costs related to services not otherwise covered.)

# Your Rights to Continue Coverage:

Coverage for: Individual and Family | Plan Type: POS

Coverage Period: 01/01/2016- 12/31/16

If you lose coverage under the plan, then, depending upon the circumstances, Federal and State laws may provide protections that allow you to keep health coverage. Any such rights may be limited in duration and will require you to pay a **premium**, which may be significantly higher than the premium you pay while covered under the plan. Other limitations on your rights to continue coverage may also apply.

For more information on your rights to continue coverage, contact your plan sponsor. Note: A plan sponsor is usually the member's employer or organization that provides group health coverage to the member.
